June 2019

WHEN YOU BELIEVE IN YOURSELF, ALL THINGS ARE POSSIBLE

Greetings,

June is one of the most exciting and activity-filled months of the school year! The weather begins to make a turn for the better (hmmm I HOPE that will happen soon) and the beauty of God's Creation springs to life. The sun shines and spirits soar.

We are very busy here at school. Your children are using what they have learned all year to think and problem solve in many ways. Assessments and inquiry-based projects are wonderful ways to integrate subjects and demonstrate understanding of concepts. We still have much to learn and try as the month continues.

June is also a wonderful time to reflect on the year and be grateful for the experiences shared. Our school staff have worked collaboratively with you and with our parish to fully develop our students in body, mind and spirit. I am so proud of our staff and assure you that your child is always on their mind. They work weekends and extra hours to ensure the best learning will take place. Your child has been given many challenges and, from that, has grown in persistence, grit and commitment.

I hope that I have the chance to see each of you at some point this June. I want to thank you for the incredible support and care you give to this school family. We are blessed for it!

Enjoy this glorious day,

Marilyn Dawson

Learning at all times!

Best school EVER!!

Our Pastoral theme for 2019 is “Called to Belong”. Our schools are schools where students, staff and families are honored and respected as the unique gifts they are. God created each of us with different skills and attributes and we need this variety to create the wonderful world we live in. Thank you for YOU!

The faces that make our school amazing
